

FOCUS ON ENERGY: SMALL BUSINESS PROGRAM

LET US HELP YOU SAVE ENERGY AND

As a qualified Trade Ally for Focus on Energy, Staples Energy is conducting FREE Energy Assessments in your area. We will determine how much money your business will save on your utility bills by taking advantage of Focus on Energy's incentive offers combined with our expert installation.

KEY INCENTIVES INCLUDE:

LIGHTING

Interior and exterior LED lamps and fixtures

Interior and exterior lighting controls

REFRIGERATION

Walk-in and reach-in cooler motor and control upgrades

Vertical and horizontal case lighting

COMPLEMENTARY PRODUCTS AND SERVICES (CPS)

Ask if you qualify for additional incentives at little or no cost to you
